

# HIGH SCHOOL NEWSLETTER

## New Student Day

We are inviting pupils who have applied to study at Bury College this Autumn the opportunity to visit the college campus.

This will be an opportunity to meet the supportive and experienced tutors from your course, sample a lesson and discover the college campus.

The event will take place week commencing 21<sup>st</sup> June. More information will follow shortly.

## Year 10 Information Event

Bury College is hosting a presentation evening live on Microsoft Teams on:

**Thursday 27<sup>th</sup> May**  
**6.00pm-7.00pm**

The presentation has been designed to provide Year 10 pupils with information about their next steps after school and the options available to them.

Throughout the presentation, there will also be the opportunity for your pupils and their parents/carers to ask any questions.

The live presentation can be accessed on the evening via the following link:

## Be Bury College Ready

The Be Bury College Ready portal has been designed for Year 11 pupils to support with their transition from school to college and includes a wide range of online resources.

The portal is live on the Bury College website and can be accessed here:

<https://burycollege.ac.uk/how-we-support-you/be-bury-college-ready/>

From reading lists and workbooks, to example timetables and what to bring on a first day, we have put together a comprehensive range of resources to help pupils 'Be Bury College Ready.'

The online resources also include course specific information which has been carefully put together by experienced tutors. These resources will give individuals a head-start to their studies and provide them with tasks, reading lists and useful information that they can complete prior to them starting at Bury College in the next academic year.

### **Transitional Support**

We have developed a range of resources to support Year 11 pupils as they transition from school to college. Please find below some useful links:

Virtual Open Event: <https://burycollege.ac.uk/virtual-open-event/>

Virtual Tour: <https://burycollege.ac.uk/VirtualTour/index.html>

Preparing for Success Video: <https://www.youtube.com/watch?v=oAu6ly6aBbk>

### **T Level Update**

From this September, Bury College will be offering T Levels which are brand new, high-quality technical qualifications. This pathway is an exciting alternative to A-levels and apprenticeships that combine classroom theory with practical learning and an industry placement.

T Levels are available in the following areas:

- Digital: Digital Support Services (Specialism - Digital Infrastructure)
- Education and Childcare: Education (Specialism - Assisting Teaching)
- Health and Science: Health (Specialism - Supporting the Adult Nursing Team)

To discover more about T Levels and to help support your pupils on choosing the right course for them, we have created a range of new videos. Please click the link below:

<https://burycollege.ac.uk/courses/t-levels/>

### **Additional Learning Support**

Moving from school to college is an exciting time and our staff are on-hand to help your pupils and support their transition.

We have a dedicated Additional Learning Support team who are experienced in working with students with a range of support needs.

Should you wish to speak to our Additional Learning Support team regarding one of your pupils before they join us in September please do not hesitate to get in touch using the contact details below:
