## GCSE English & English Literature Revision Guides

Dear Parents/Carer,

The English Department are offering the opportunity to purchase revision guides and workbooks to support the revision and exam preparation your child will complete at home for both GCSE English Language and English Literature.

As part of the GCSE English Literature course, students are required to read and study set texts for examinations. Students will **not** be allowed to take a copy of the book in the examination, but are expected to know their book well. The CGP books will be a valuable resource in supporting your child through their studies.

By purchasing these books through school you will benefit from being able to purchase them at less than half the retail price.

Please see below a list of the revision guides and workbooks available to purchase. If you would like to purchase a copy of any of the available books for your son/daughter **please pay online with Scopay.**

May I take this opportunity to thank you for your continued support.

Yours sincerely,

Mrs J Waldron
