

Dear Parent/Carer,

We are excited to be working with Tottington High School this year to deliver an unforgettable summer experience for students in year 12.

The NCS programme offers young people, aged 16-17, a once in a lifetime opportunity to do something meaningful with their summer break, as well as a chance to develop skills and take on new challenges that will set them up for adult life. They'll also do something good for their local community, carrying out a project to support a cause they care about. We've seen first hand what an amazing feeling of accomplishment and increased confidence this brings. Last August, teenagers on NCS donated 200,000 hours of their time to help rebuild their communities after the first lockdown, showing what a difference young people can make when they work together towards a goal.

This years programmes will run for 2 or 3 weeks and young people will:

- ✓ Meet new people
- ✓ Try new things
- ✓ Give back to their local community through voluntary action
- ✓ Take on new challenges
- ✓ Develop the skills and confidence to take on their next steps
- ✓ Generate experience for their university application, job/apprenticeship interview or CV and more!

NCS is all about helping young people realise their potential by giving them a taste of independence and loading them up with new skills that set them up to achieve their future goals, whatever they may be. And this year, it's your teen's turn!

We would normally attend school to give an assembly and allow students the chance to express their interest in coming away with us. This year, to keep a safe distance, we'll tell them about the programme via a video that will be shown in tutorials and we'll ask them to sign up online at [wearencs.com](https://wearencs.com).

If your young person does want to register their interest in taking part in NCS this summer, we will ask them to share your contact details. This is so that we can complete the administrative process required to get them signed up to a programme date. If they do let us know they're interested, we'll be in touch with you by email or phone to run through the steps we need to complete their booking.

A place on NCS is worth around £1500. However, thanks to government funding for the programme, we only ask for a contribution of £50 to cover some basic costs. We want to ensure that everyone can do NCS so there are bursaries available if you need some help to cover the cost.

National Citizen Service Trust is a not-for-profit organisation incorporated by Royal Charter and established to shape, support, champion and lead a thriving National Citizen Service.
