

TOTTINGTON HIGH SCHOOL

Excellence Through Partnership

13th November 2020

Dear Parent/Guardian

The year 11 mock exams were due to start on the 16th November. We have made the decision to delay these by two weeks to start on the 1st of December because a number of pupils in year 11 have had to self-isolate for two weeks and we are keen that year 11 have the best opportunity in these mock exams.

However, the Cambridge National exams: Creative iMedia; Enterprise and Marketing and Child Development exams will be on the 19th November to give pupils more time after these mocks for feedback before their formal external exam papers in January.

Exam dates for the Cambridge Nationals

- Creative iMedia Monday 11th January
- Child Development Wednesday 13th January
- Enterprise and Marketing Wednesday 13th January

A booklet with information, including links to the specifications, revision sites and the mock exam timetable can be found here <https://tottenham.bury.sch.uk/exams-information/> an overview of all GCSE courses can be found here <https://tottenham.bury.sch.uk/wp-content/uploads/KS4-Subject-Information.pdf>

The GCSEs will start on 26th May for English Language Paper 1 and Maths paper 1 is the 27th May. The rest of the GCSE exams are after June half term, 7th June and will finish on the 2nd July. The provisional common exam timetable for exams can be found here <https://www.icq.org.uk/wp-content/uploads/2020/10/June-2021-Amended-Provisional-Timetable.pdf> we do not yet have the finalised exam timetable from the exam boards.

GCSE Results day is Friday 27th August.

Thank you for your continuing support with your child as they revise for these important exams.

Miss Guirguis
